

TECHNICAL RIDER

The band is composed of 2 musicians, 1 sound engineer and 1 light engineer (it depends on the equipment available of the place):

- > sound engineer: Mickaël : + 33 6 61 77 09 56, mickaelmayeu@free.fr
- > light engineer: Marielle: + 33 6 64 21 55 05, light.marielle@yahoo.fr

We can e-mail you the light specifications.

On outer front we need a high quality (4-way) stereo p.a system, controlled by system processor & 1/3 oct stereo graphic equalizer (EAW, D&B, C.Heil...).

WE NEED :

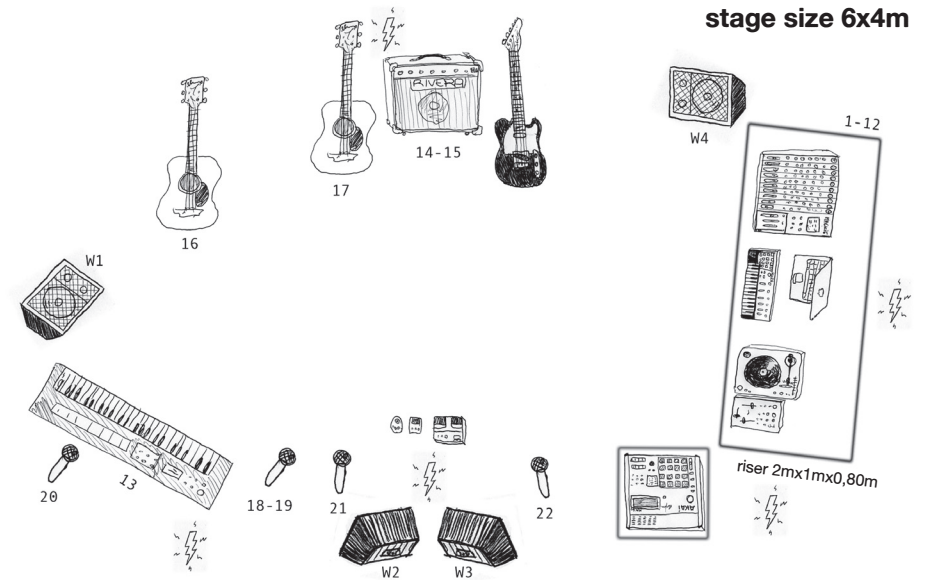

- 1 mixing desk 24 inputs + 4 st. (MIDAS, YAMAHA...)
- 4 monitor speaker from 2 sends controlled by 2 graphic EQ (K.T, APEX...) LE400C, MAX15, MTD 115...
- 5 compressors (BSS DPR 402, DRAWMER DL 241, DBX 160...)
- 1 cd player
- 1 talkback

N.B

- For lead vocal, we need 3 mic stand.
- We need a riser (2x1x0,80m) for machines on stage right.
- We bring our effect boards, TCM2000 & TC DTWO.
We have the ability to play in any kind of place! Don't hesitate to contact us !

STAGE/LINE LIST

WARNING : Only channels 11 to 22 are affected in monitoring !!!
